5th Grade Writing Google Classroom Invite Link	The Secret Garden: Imagine you've found a secret garden where the plants can talk. Write a story about your first encounter with the talking plants and the adventures you have in the garden.	Time Machine Trouble: You've just finished building a time machine in your backyard. Excitedly, you step inside and press a button at random. Describe where (and when) you end up and what happens on your unplanned time-traveling adventure.	The Lost Puppy: While walking home from school, you find a lost puppy with a collar but no tags. Narrate your journey to safely return the puppy home, detailing the challenges you face and the people you meet along the way.	The Day I Became a Superhero: Write a story about the day you suddenly gained a superpower. What is your superpower, and how do you help your friends, family, or community?	The Friendly Alien: An alien has landed in your backyard, and surprisingly, it only wants to be friends and learn about Earth. Write about your week with the alien, the fun you have, and how you explain the quirks of human life to your new intergalactic friend.
